

# Home

home is where  
the stuff we keep  
home is where we  
try to sleep

apartment, mansion  
tent or dorm  
a place to shelter  
from the storm

home is where  
you hang your hat  
and enjoy the company  
of dog or cat

sometimes at home  
folks argue and shout  
then talk it over  
and work it out

when we're sick  
it's home we stay  
plans on hold  
for another day
